# OSHA Training and Certifications

## OSHA Training and Certifications from OCS Training Institute and University of Texas at Arlington

Understanding and maintaining OSHA standards and how they relate to your operations is critical to maintaining a safe and compliant workplace. OCS Training Institute, in partnership with the OSHA Education Center at the University of Texas at Arlington (UTA), offers a full range of OSHA courses and certifications for personnel and managers within your organization, including train-the-trainer authorizations.

### Proven UTA instructors. Convenient OCS facilities.

Through this unique collaboration with UTA, highly experienced OSHA instructors from UTA conduct courses at OCS's state-of-the-art training facility, which features sophisticated instruction and display equipment, comfortable seating, and realistic hands-on areas.

### UTA OSHA Education Center courses offered at OCS include:

- Trainer Course and Update for the Construction Industry
- Trainer Course and Update for General Industry
